Tom Cole is an award-winning Director and Editor, with 15 years professional experience, in the UK and Los Angeles. His clients have included **Disney ABC Television Group, Marvel, Shine America, BBC, Discovery Channel, MTV, Universal, CNN, Steve Aoki** and **Ultra records**.

Apple has used his work for Robbie Williams as an example of how to edit using Final Cut Pro.

Tom is a member of the **Motion Picture Editor's Guild Local 700**, and has a detailed knowledge and experience of Adobe Premiere CC and After Effects CC.

Tom produced and edited the feature film '**Closure**' available on Amazon PRIME and Hulu.

He also co-created the **30 Day Feature Film Challenge**, which produced the film 'Closure' only 30 days.

Tom is represented by [Blueberry Creatives](#) in the UK and Lord Danger in the US.

Tom has a unique and energetic style, and brings a bursting creative energy to all his work.
